KENTUCKY COURTS CIRCUIT CLERK

MOTION TO DISMISS / BASED ON NEWLY DISCOVERED EVIDENCE
BY DEPUTY CLERK

Comes now the Movant / Defendant, Jon Hall, pursuant to rule 12 (a) of the Tennessee Rules of Criminal Procedure, with a motion to dismiss all supra indictments pursuant to the above listed case numbers; In support of this motion and to apprise the court of newly discovered evidence, and will show this court the following:

1. On February 9, 1996, Movant / Defendant, Jon Hall, (referred to hereinafter as movant) went before this court pursuant to a pro-se motion to act as co-counsel under State v. Burkhart, 541 S.W.2d 361; in reference to 10/19/96 notorized motion to dismiss all indictments pursuant to Waugh v. State 564 S.W.2d 654; As well as for a 1/11/96 notorized (motion to suppress) alleged confessions / statements / observances and the seizure of property, etc..

2. On the date in question (2/9/96), movant discovered that this court was exercising its Judicial Authority under Maritime law. (after 2/9/96 hearing, after being advised through legal consultation) Unknowingly, and unwillingly of consent to such jurisdiction, movant was coerced inside the sanctuary of the Bar, which fraudulently deprived movant of his protected constitutional rights.

3. Movant is a citizen of the United States of America. His flag is the American Flag of Peace which hangs outside the courthouse under the United States of America. Movant is a human being under the Kingdom of God of the United States of America. Movant reserves all United States constitutional rights of his country and under the jurisdiction of his flag.

4. The Courts flag is a maritime flag of war. It has a gold eagle on top and a gold braid around it.

There is no United States constitutional rights in the sanctuary of the Bar under the wars power act of 1933 by President Roosevelt. At this point in time this Court lacks jurisdiction over the movant Rule 12 (b) (1) - (b) (7) under the Federal Rules of Civil Procedure; (1) The Court lacks jurisdiction over the subject matter of movant, and (2) The Court lacks jurisdiction over movants citizenship under the American flag of Peace.

THE POLICY AND / OR CUSTOM OF THIS COURT AND THE INTENT
TO CAUSE MOVANT A CONSTITUTIONAL INJURY :

The Judge is responsible for the set up of the courtroom. He brought the flag and / or ~~allowed the~~ Maritime Flag to be brought into the Courtroom before he had subject matter jurisdiction over movant. The Maritime Flag inside the sanctuary of this Courts Bar represents the suspension of movants United States constitutional rights also;

- (1) The right to be deemed innocent until proven guilty;
- (2) The right to a fair and speedy trial embodied by the Fifth, Sixth, and Fourteenth U.S. constitutional rights to equal protection and due process.

The Judges of this Court has a sworn oath (if not expired, which is unconstitutional) to administer justice under the constitution and the laws of the United States. 28 U.S.C. section 453, which states:

Each Justice or Judge of the United States shall take the following oath or affirmation before performing the duties of his office:

"I _____, do solemnly swear (or affirm) that I will administer justice without respect to persons, and do equal right to the poor and to the rich, and that I will faithfully and impartially discharge and perform all the duties incumbent upon me as _____ under the constitutions and laws of the United States. So help me God."

The phrase "Justice or Judge of the United States" was substituted for "Justices of the Supreme Court, Circuit Judges, and District Judges appearing in sections 372 and 451.

Since the Judge was acting under two (2) jurisdictions, under two different flags, this Court has lost competent Jurisdiction over movant (See e.g., actors acting in disguise, The Monroe Doctrine of 1871).

Now that this Court has used its policy and / or custom to trial movant under Maritime Law, Movant declares his sovereign immunity from prosecution under his American Flag of Peace of the United States, and under his sovereign belief under the Kingdom of his God. Movant is an ambassador under his flag of peace of the United States.

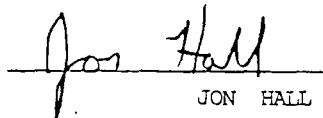

The intent to cause the movant a deprivation of his United States constitutional rights to his Fifth, Sixth, and Fourteenth Amendment rights can be mirrored under 42 U.S.C. title 1986, for the knowledge of the law when the judge brought the Maritime Flag into the Courtroom before having subject matter jurisdiction over movant, which shows and establishes intent under 42 U.S.C. 1946: (2) Policy and Custom of exercising Maritime Law under a judicial setting (See e.g., title 42 U.S.C. 1983, Chapter

21 notes 333, 349, 350, 351, 352, and 355). This also constitutes perjury of oath under title 18 U.S.C. section 1621.

CONCLUSION

Wherefore, Movant moves this court to dismiss all supra indictments for the lack of subject matter jurisdiction over movant, or in the alternative, sign the attached Judicial contract pursuant to title 3 U.C.C. section 501, to preserve movants United States constitutional rights.

JOE GAFFNEY, CIRCUIT COURT CLERK
A.M. DEPUTY CLERK

MOTION FOR CONTINUANCE

Comes your Defendant, JON HALL, by and through his attorney of record, Clayton F. Mayo, and hereby requests that this Honorable Court grant a continuance in the above matter and in support of this Motion, Defendant and Attorney would state and show unto the Court as follows:

1. That this matter is scheduled to go to trial on October 15, 1996;

2. That Attorney has difficulty communicating with Defendant as evidenced by the most recent documents filed with this Court by Defendant;

3. That this is a first degree murder case with the possibility of the death penalty, which requires a tremendous amount of research and preparation;

4. That Attorney has been advised by Defendant's private and mitigation investigators, Tammy Askew and Glori Shettles, respectively, that they are in need of additional time in which to complete their investigations and prepare Defendant for trial. Please see the attached affidavits that are incorporated herein as if specifically set out;

5. That Attorney is relying heavily on the reports and investigation of the private and mitigation investigators in his preparation for trial;

6. That Attorney has been advised by the jury consultant, Julie Fenness, that she will not be able to be present at Defendant's trial due to a conflict on her schedule. Please see that attached affidavit this is incorporated herein as if specifically set out;

7. That it is imperative that Ms. Fenyess be present for the jury selection;

8. That Attorney Clayton F. Mayo is required to be at the Sixth Circuit Court of Appeals in Cincinnati, Ohio, on October 15, 1996, for oral argument of a double homicide case that is on appeal from Federal Court Case No. 93-10052. Attorney Clayton F. Mayo filed a Motion for Continuance in that case and Attorney's office was notified on October 1, 1996, at 9:50 a.m. that his Motion had been denied. Please see the attached Affidavit regarding this notification;

9. That Attorney submitted a Motion and Order to have Defendant Transferred to Madison County Penal Farm or Madison County Jail to Assistant District Attorney on August 27, 1996, requesting that Defendant be brought back to Madison County at least thirty (30) days prior to trial;

10. That as of the date of filing this Motion, the State has not signed this Order;

11. That Defendant is being held at Riverbend Maximum Security Institute in Nashville, Tennessee, and it is and has been extremely difficult for Attorney to visit with his client in order to properly prepare for his defense;

12. That Attorney's office was advised by the District Attorney's Office, on September 25, 1996, that a "Go-Get" Order was filed with the Court to have Defendant brought back to Madison County on October 7, 1996, just one week and one day prior to the start of his trial;

13. That Attorney has not been informed of the jury pool;

14. That a jury questionnaire has not been submitted to the jury pool;

15. That Attorney Clayton F. Mayo is scheduled to attend a seminar entitled Meeting the Need ... Qualified Death Penalty Defense Lawyers in Nashville, Tennessee on October 4-5, 1996, an appearance oral argument in the Court of Criminal Appeals on October 2, 1996, and a Circuit Court trial, case no. 95-617: Attempt to Commit First Degree Murder, Aggravated Assault, Reckless Endangerment, Especially Aggravated Kidnapping, DUI, and Reckless

Driving. Therefore, these will detract from my time to prepare for this most demanding trial and a special setting of this case, not in the middle or end of criminal trial term, will be much more helpful;

16. That Attorneys feel they are in need of more time to adequately and competently prepare for this trial.

BASED UPON THE FOREGOING, Attorney respectfully requests that this Honorable Court grant a continuance in this matter.

DATED this the 1st day of October, 1996.

1. I was appointed by the Honorable Judge ~~Jerry Woodall~~ to assist Court appointed counsel Mike Mosier and Carthel Smith in Jury Selection for the Capital trial of Defendant Jon Hall.
2. The original trial date was November 7, 1995. I was prepared to go to trial on that date, and again on February 19, 1996.
3. Since the resetting, counsel Mosier and Smith were replaced by attorneys Jesse Ford and Clay Mayo. The date was again continued, this time reset for October 15, 1996.
4. I have a conflict on October 15, 1996, and will not be available to assist in jury selection on this date. I will be in Federal Court in Memphis for a trial beginning October 15, and will be occupied with that case for approximately two weeks.

MOTION AND MEMORANDUM TO QUASH SUBPOENA OF TOM CLOUSE

NOW COMES the undersigned counsel on behalf of his clients, Mr. Tom Clouse, a reporter for *The Jackson Sun*, and *The Jackson Sun*, and seeks to quash the subpoena of Mr. Clouse. The State of Tennessee had subpoenaed Mr. Clouse to testify in the trial of the above-captioned cause for October 15, 1996. The State has represented to the undersigned that it will subpoena Mr. Clouse to testify at the trial which is now scheduled for February 3, 1997. *The Jackson Sun* and Mr. Tom Clouse seek to dismiss this subpoena on grounds of T.C.A. § 24-1-208 which provides as follows:

(a) A person engaged in gathering information for publication or broadcast connected with or employed by the news media or press, or who is independently engaged in gathering information for publication or broadcast, shall not be required by a court, a grand jury, the general assembly, or any administrative body, to disclose before the general assembly or any Tennessee court, grand jury, agency, department, or commission any information or the source of any information procured for publication or broadcast.

In light of *The Jackson Sun* and Mr. Tom Clouse invoking the shield statute, the State can not require Mr. Clouse to testify at

this cause since the State, upon information and belief, seeks to question Mr. Clouse concerning an article that he wrote for The Jackson Sun relative to an interview he conducted of Mr. Jon Hall, the Defendant in the above-captioned cause.

As Mr. Clouse conducted this interview in his capacity as a news reporter and was therefore in the process of gathering information for publication, the State can not, pursuant to T.C.A. § 24-1-208(a), subpoena him to testify before this Court.

WRIT OF MANDAMUS / COMPELLING JUDGE TO ORDER DEFAULT

Comes now the Plaintiff, Jon Hall, to compel the Trial Judge to order a default judgement against the Respondent's, for failure to answer the Petitioner's complaint within the time prescribed by law. See: P.R.C.P. Rule # 12 (20 days). In support of this motion, the Petitioner will show forth this Court the following and just reasons:

1. Petitioner has filed a habeas corpus / civil rights complaint for civil rights violations within this jurisdiction on August 1, 1996.
2. Respondent's have failed to answer said complaint and a default motion was served Nov. 1, 1996, and the Respondent's have failed to bring a motion raising a 12 (b) defense within that time or requested for an extension of time to file an answer.
3. Respondent's response stating that they are not required to answer should be of no avail, because, this is a civil complaint, and the state has not provided an attorney to present an amended complaint, therefore, Jon Hall, is counsel in this matter.
4. State's response was provided by Assistant District Attorney, Al Earl's, to which was not present during the 8/22/94 proceedings, nor is a proper Respondent, therefore, Al Earl's comment that the Petitioner's complaint is nonsense, is unfounded, improper, and irrelevant, to which Al Earl's has no "sense" to support a response.
5. Middle Tennessee Mental Health (M.T.M.H.I.) has certified that the Petitioner is not insane, and capable of presenting a defense for the matter at hand in a court of law, via Larry Southard, the Director of Forensic Services, (615) 366-7973, certification of this statement, was made pursuant to letter sent to the Honorable, Whit S. Lafon March 28, 1995.

Wherefore, Petitioner, moves this Honorable Court to grant the petitioner the appropriate relief as required by law. This Writ has been mailed to Jerry Woodall, P.O. Box 2825 Jackson Tennessee 38302, on this the sixth day of November 1996.

Comes now the State of Tennessee by and through the Office of the District Attorney General and moves this Honorable Court to Order the Sheriff of Madison county to censor the defendant's mail so that no mail is sent from the defendant to any member of the victim's family. MOTION FOR PRESERVATION OF RECORDS / EVIDENCE

Comes now the Appellant pursuant to Tenn. Rules of the Court of Appeals, Rule 6, for the preservation of the audio tapes of the criminal proceedings in the above stated matter; See also: T.C.A. § 10-7-302 to § 10-7-307.

In support of this motion, the appellant has filed a collateral pleading for Habeas Corpus relief, pursuant to 28 U.S.C. § 2241, for this matter, because, the transcript of the preliminary hearing, did not convey the important litigation pertaining to the admittance of illegally obtained evidence. This evidence was used as the States proof in chief, for the bind over, denying the Appellant of discovery, the State was obligated to provide. Further, this evidence was printed in both Henderson, and Madison Counties, before the Grand Jury convened, thus the appellants fourth, fifth, sixth, and fourteenth U.S.C.A. Const. Amendment rights were violated. SEE; Habeas petition no. 3:96-0940, and Sixth circuit court brief no. 96-6624

Wherefore, the Appellant contends there is sufficient evidence to justify probable cause, requesting that all audio tapes of the criminal proceedings be preserved, and reviewed by this Honorable Court, to protect the rights of the Appellant, to insure the proceedings meet the standard of procedural fairness which the U.S.C.A. Const. Amend. 14, demands of the states. Peterson v. Henderson, D.C. Tenn. 1967, 271 F. Supp. 30.

MOTION FOR JUDGEMENT OF ACQUITTAL

Comes now the Appellant, Jon Hall, pursuant to Rule 29 (c), of the Tenn. R. Crim. P., and moves the court to enter a judgement of acquittal upon the conviction for PREMEDITATED murder, because the State failed to prove PREMEDITATION, based upon the credibility of States informant Chris Dutton, See: State v. Dick, 872 S.W.2d 938 (Tn. Crim. App. 1993) § [2] Summarized in Melson v. State, 638 S.W.2d 342, and the reliability of the testimony, of the States (3) minor witnesses, whose memory was compromised over the lapse of time, also the (10) year old witness (Cynthia), admitted that she was coached personally by Dist. Wherefore, the appellant prays that this Honorable Court, seriously consider the credibility of the States (PROOF IN CHIEF) to establish PREMEDITATION which is the essential element of FIRST DEGREE MURDER.

MOTION IN ARREST OF JUDGEMENT

Comes now the appellant pursuant to Rule 34, Tenn. R. Crim. P., and moves the Court to arrest the Judgement in this case upon the following grounds:

1. The Court is without jurisdiction of the offense charged, because, the Appellant never consented to be tried in the County of Madison, from an offense alleged to have been committed in Henderson County.
2. The Court is without jurisdiction of the offense charged, because, this Court is without subject-matter jurisdiction. The Court was exercising its jurisdiction under maritime law. The Court had no authority to try, and / or sentence the Appellant, without his consent to contract with this court to be sentenced under the said maritime jurisdiction; Therefore, this Court had no power to hear the criminal proceeding before it. (See; e.g., Davis v. Davis, 9 Ill. App.3d 922, 293 N.E.2d 399, 405). [See also; appellate brief, 96-6624; Ex. No. [26-38].

It cannot be acquired or implied (through constructive knowledge and consent) that Appellant knowingly consented to said maritime and personal jurisdiction of this court at the time he was tried and sentenced. (See; e.g., Hess v. Pawloski, 274 U.S. 352, 47 S.Ct. 632, 71 L.Ed. 1091.

The intent to deprive Appellant of his constitutional rights that are relevant to this cause, can be shown by policy and / or custom of the officers of this Court. (See; e.g., 42 U.S.C. § 1983 notes: 319-337).

MOTION FOR ARREST OF JUDGEMENT

CONCLUSION

In the United States, the Office of the Attorney General is one which is provided by the constitutional and statutory provisions of the various states, and where the powers and duties of the Attorney General are fixed by the constitution, a statute interfering therewith is invalid. Murphy v. Yates, 348 A.2d 837, Md. 475, 84 A.L.R. 3d 1.

Appellant did not have a contract with this Court to be tried and sentenced under maritime jurisdiction, which had to be declared, and made known to the petitioner if the Court was legally to retain subject-matter jurisdiction over the case. Otherwise, a maritime contract relates to business of navigation. Massman Const. Co. v. Bassett, D.C. No. 30 F. Supp. 813, 815.

Because Appellant did not consent to either Madison Co. Venue, or a maritime contract with the Court, it constituted a voidable contract, Derner v. Joseph Zukinblouses, 13 Cal. App. 2d 124, 56 P.2d 574-75.

A contract which is void, which never had any legal effect, and such contract cannot in any manner have life breathed into it. See; National Union Indemnity Co. v. Bruce Bros., 44 Ariz. 454, 38 P.2d 648, 652.

Furthermore, T.C.A § 40-30-203; States: Ground for relief. Sec. (a). Relief under this chapter shall be granted when the conviction or the sentence is void, or voidable, because of the abridgement of any right guaranteed by the constitution of this State or the constitution of the United States.

Wherefore, Appellants sentence should be vacated and dismissed.

Respectfully submitted,

Jon Hall

14. Whether trial judge erred in dismissing the indictment, because the state advanced its case upon illegally obtained evidence at the preliminary hearing, to which the Magistrate made PLAIN ERROR, when the judge bound over the appellant on the illegally obtained evidence, and the said evidence was printed in the local news, in violation of the Appellants Fourth, Fifth, Sixth, and Fourteenth U.S. Constitution Amendments.

MOTION FOR NEW TRIAL / PRO-SE / AMENDMENT

The Appellant Jon Hall, hereby swears under the penalty of perjury that the foregoing statement of facts are true to the best of his knowledge belief, and ability to express such facts, as stated in his MOTION FOR NEW TRIAL / AMENDMENT. This affidavit in support, has prepared, and duly sworn to, on this the 28th day of Feb 1997.

The Appellant states;

1. That He filed exhibits no. # [26-38], in appellate brief docket 96-6624, to protect His United States Constitutional rights, under his sovereign "Flag of Peace" of America, before He was brought into the said maritime courtroom setting. Further, the Appellant let it be known that He would testify in his own behalf, if; The trial judge would, either sign the judicial contract for the guarantee of constitutional rights under U.C.C. title 3 section 501, exhibit no. # [36-38], or remove the "Flags of War", in order for the court to retain subject-matter jurisdiction.
2. That He displayed and stood behind a true and exact version of the American flag, pursuant to 4 U.S.C. title 36 section 176, and expressed his desire to testify in his behalf, if the judge would guard, and protect his rights, pursuant to article VI, §§ 3 and 4, of the Tennessee Constitution, and / or provided by T.C.A. § 17-1-106, by removing the American, and Tennessee flags with the gold braid around it, as stated in court, and by motion. (See; exhibit no. # 31, for proof).

3. That there was a conflict of interest between the Appellant, and the lead counsel, (Jesse Ford), because, there was no meaningful sense of loyalty to the Appellants interests, pertaining to pre-trial issues, (Motions, Venue, Jury selection, discovery, & Witnesses), instead there was a strong sense that Mr. Ford was sympathetic to the Courts and the Prosecutors position on these issues, and failed to assert the proper attention to the Appellants requests in this matter. Further, the Attorney, would not confide with Him with respect to defense strategy, or insist upon his presence during the pre-trial sessions.

4. That the parents of the defendant, (Bill & Valeria Lambert), sat amongst the jury pool during the entire jury selection process, to which, the Appellant made mention to it, but was told by Mr. Ford that; because they were not witnesses for this cause, they could sit anywhere they pleased. Note: Mr. Woodal had to have known that; this was highly prejudicial, exposing the jury pool to "extraneous prejudicial information". See: T.C.A. § 22-2-310 (Irregularities - Investigation by Judge)

5. That Madison County Court Officers, forced the Appellant to wear locking leg restraints to which: The Jackson Sun stated that, "A shackled Hall, wearing gray slacks, and a light blue cotton shirt with an American flag pocket protector, seemed to grow weary of the repeated trips to the jury room during the selection process." (Note: Pg. 3A, Tuesday February 4, 1997 edition).

6. That he tried to have jurors removed for cause, (1) for her association with Jackson Madison County Hospital, (last place of employment of the deceased, and (2) for her participation in a domestic violence incident, to which was overlooked / ignored during the voir dire process.

7. That He did not want to be tried by a jury of (11) women, and (1) black man, because it cannot be assumed that; a cross-section of the jurors from Henderson, and / or Madison Co., would consist of the exclusion of white males, especially on the eve of the O.J. Simpson Civil Trial / Verdict. (See; Statement of Fact, No. # 3.)

8. That He attempted to dismiss Jesse Ford, prior to the states presentation of witness, but was overruled by the trial judge.

9. That before the jury was seated, the Appellants presumption of innocence, was lost, by the way the individual voir dire questioning was handled in this matter, for the qualifications of the prospective jurors attitude toward capital punishment, under the guidelines stated in Witherspoon v. Illinois, 391 U.S. 510 (1968). SEE ALSO: Tennessee constitution, in its Declaration of Rights, Article 1 Section 6, which declares that; the right of trial shall remain inviolate, and no religious or political test shall ever be required as a qualification for jurors.

10. That He tried to obtain the medical records from the center for child development, date 4/30/92 & 6/15/93, to present to either His Attorney, or the Court, during a jury out session, but was denied access to said records by both Madison County jailer, officer Reed, during court break, (lunch) and by trial judge Whit Lafon, upon a open court, (jury out) session, prior to the re-convening after lunch. Therefore, prejudicing the Appellant from presenting important evidence, that would enlighten the jury as to how much the testimony of the states (3) minor witnesses has been impaired, (competency issue), or instructed to inflame the passions, (used as a victim impact statement, rather than an admission of relevant evidence) to persuade the jury to convict the accused of FIRST DEGREE MURDER.

11. That He has submitted Habeas Corpus petition, (federal court docket no. 3:96-0940) (T.D.O.C. legal mail postage withdrawal form no. 78754) to the Henderson Co. Court, to preserve & prevent the court from overlooking the errors that occurred during the "critical stages" in order to protect and eliminate prejudicial errors, from inflicting an erroneous judgement against him. NOTE: SEE: Griffin v. Illinois, 351, U.S. 12, 76 S.Ct. 585, 100 L.Ed. 891 (1956). "There can be no equal justice where the kind of trial a man gets depends on the amount of money he has." (Three-day Capitol case, including selection of jury, guilt innocence, & sentencing proceedings).

12. That He has filed all of the motions included in the Habeas Corpus petition, and appeal, because, the public defenders assigned to His case were assumptively pre-occupied with other matters, and allowed the Magistrate to make "PLAIN ERROR" pertaining to His Fourth, Fifth, Sixth, & Fourteenth U.S. Const. Due Process, & Equal Protection rights.

13. - 14. That States witness was impeached during the preliminary hearing, in this matter, (See: exhibit "A" pg. 6:, for miranda issue, & See; cross-exam of same issue on pg. 10.) because, he knew that he failed to secure waiver, and that appellant had requested the assistance of an attorney, and tried to make a "co-erced, custodial interrogation" into a "voluntary spontaneous statement" in order to prevent the defense from having an accurate version of the states (3) minor eyewitness, to prejudice the defendant from having discovery, and prepare the children to support the states argument for FIRST DEGREE MURDER.

Further, as pointed out in Habeas corpus petition exhibit "C" the state was allowed to advance their case based upon the illegally obtained confession, in violation of the Tenn. R. Crim. P. Rule 5, Waugh v. State, supra, and said evidence was printed in the local and surrounding counties newspaper, on Aug. 23, 1994, before the Grand Jury convened in this matter on Oct. 6, 1994, in violation of the Appellants Fourth, Fifth, Sixth, and Fourteenth U.S. Const. Due Process, and Equal Protection rights.

15. The Appellant was prejudiced by several things that should have, and could have been eliminated had he had the services of a competent attorney at a critical stage. Two witnesses in this matter Jeff Hall 1/29/56 - 7/4/95, and Herman McKinney, D.O.B. and passing are unknown, died before giving testimony in this matter.

Further the Appellant adds that Herman McKinney, (next door neighbor and eyewitness to incident), knew who was the primary caretaker of the children, and would have been able to substantiate the claims of the Appellant now states as true, that the Appellant stayed at home, as the (4) childrens guardian from the end of 1991-1993, (full time) as shown by the medical records from the child development center, and up to March of 1994, as the main caregiver, for the children at night, while the mother worked the 7:00 P.M. to 7:00 A.M. shift, also the Appellant states that He watched the children as much as needed up to and including July of 1994. Further the Appellant contends that in conjunction with what the children say about daycare, and a babysitter, (Jessica), was the only one enrolled in a daycare facility, & that the next door neighbor was the babysitter (Pam Foreman), only when school let out in 1994, and occasionally on evenings in 1994, because she was a minor herself (14). Therefore, the Appellant states he was the primary caregiver of the minor children.

13. - 14. That States witness was impeached during the preliminary hearing, in this matter, (See: exhibit "A" pg. 6., for miranda issue, & See; cross-exam of same issue on pg. 10.) because, he knew that he failed to secure waiver, and that appellant had requested the assistance of an attorney, and tried to make a "co-erced, custodial interrogation" into a "voluntary spontaneous statement" in order to prevent the defense from having an accurate version of the states (3) minor eyewitness, to prejudice the defendant from having discovery, and prepare the children to support the states argument for FIRST DEGREE MURDER.

Further, as pointed out in Habeas corpus petition exhibit "C". the state was allowed to advance their case based upon the illegally obtained confession, in violation of the Tenn. R. Crim. P. Rule 5, Waugh v. State, supra, and said evidence was printed in the local and surrounding counties newspaper, on Aug. 23, 1994, before the Grand Jury convened in this matter on Oct. 6, 1994, in violation of the the Appellants Fourth, Fifth, Sixth, and Fourteenth U.S. Const. Due Process, and Equal Protection rights.

15. The Appellant was prejudiced by several things that should have, and could have been eliminated had he had the services of a competent attorney at a critical stage. Two witnesses in this matter Jeff Hall 1/29/56 - 7/4/95, and Herman mckinney, D.O.B. and passing are unknown, died before giving testimony in this matter.

Further the Appellant adds that Herman McKinney, (next door neighbor and eyewitness to incident), knew who was the primary caretaker of the children, and would have been able to substantiate the claims of the Appellant now states as true, that the Appellant stayed at home, as the (4) childrens guardian from the end of 1991-1993, (full time) as shown by the medical records from the child development center, and up to march of 1994, as the main caregiver, for the children at night, while the mother worked the 7:00 P.M. to 7:00 A.M. shift, also the Appellant states that He watched the children as much as needed up to and including July of 1994. Further the Appellant contends that in conjunction with what the children say about daycare, and a babysitter, (Jessica), was the only one enrolled in a daycare facility, & that the next door neighbor was the babysitter (Pam Foreman), only when school let out in 1994, and occassionally on evenings in 1994, because she was a minor herself (14). Therefore, the Appellant states he was the primary caregiver of the minor children.

16. That He never consented to a change of venue to Madison County, and told His Attorneys that: If the trial judge was not going to permit a change of venue (approx. 100 miles minimum), from Henderson Co., (jackson sun and WBBJ) news area, hold the trial in Henderson County, as opposed to where the news was being transmitted.

17. That He did not commit the alleged act with premeditation, and there was not an attempt to steal anything, and the Appellant has a legal claim of right to the alleged stolen vehicle, because, it was purchased at His previous place of employment, He made payments on the vehicle, and was still married to the owner, He had His own keys to the van, and was insured and listed as a driver, ~~ex~~ by the state farm insurance agency in Mckenzie Tennessee. Further, the Appellant did not commit the ALLEGED first degree murder, during flight.

Therefore, the appellant contends that Flight should not have been used as an aggravating circumstance, to which in reality, serves no aggravating circumstance to warrant the imposition of the death penalty, and does not believe that it was applied to this case properly, in which the legislature intended to be used to warrant capitol punishment.

6

Wharefore, the affiant Jon Hall, contends that for the enclosed stated reasons, that this Honorable Court, should review these issues, in order to render a fair verdict, or at least, remand this case, back to the Circuit Court for new trial, and appoint a neutral defense attorney without any political affiliation with the 26th Judicial District, in order for the Appellant to get a fair and impartial trial, in this matter, (as far from the false prejudicial publicity as legally possible) Further the affiant saith not:

To Clayton Mayo;

Dear Sir, enclosed you will find six motions that I want filed in my behalf; (1) Notice of Appeal (2) Motion for preservation of records / evidence (3) Motion for transcript of prior trial (4) Motion for Judgement of Acquittal (5) Motion in Arrest of Judgement (6) The Pro-Se Amendment / Motion for New Trial. I will be sending them to the addresses listed on the certificate service, on the same day I send you these six motions and this letter. Please sign them and file them on record.

As you know I was displeased on how Jesse Ford, presented a defense for me. It does not take a genius to figure out that Jesse Ford was not acting in my best interests. I know you said that you were not able to present motions etc. on my behalf, because he was the lead counsel. Well I do not intend on having Jesse Ford represent me on a public drunk charge, much less my appeal. He failed to ask important questions like, to Byrd, Whose maps were they in the car ? A. THE SMITH'S; 2. Why didn't he question byrd more about my shoes ? Byrd stated at the preliminary hearing that he took shoes into evidence Byrds memory sucked at the pre-lim, and I believe it was selectively bad when anything we needed to get in. (I Know), he had also told me he was going to get the deputy from Bell Co. Texas to testify, Where's them records ? 3.. Why didn't he ask Randy anymore questions ? Randy could have cleared up the van pymt. issue, He also knew that I picked up a clutch on tuas. and borrowed a floor jack, to install it, to which he went out later and pulled it out from under the car proving that I was out at the house several days that week to work on the white lebaron. He could've asked the girls that also. He could've asked brenda / dawn who watched the girls almost all the time, even when we lived in Hunt. & when they visited me at lexington.

I could go on & on, especially not digging deeper into why Cindy said I pushed my way in when he knew that I called before I went out, he could have proved that Jerry Woodall, was soliciting known false testimony, I wonder if its because he threw my case, and didn't want anything pertaining to the truth come out. I KNOW, that was the sorryest trial advocacy litigation that I have ever seen. I could've represented myself better on August 23, 1994, after my preliminary, and before being treated for depression. If you really care, you will show me by getting me my records that I have requested several times, along with a copy of this trial transcript, motion hearings transcripts, (which have to be included into the record for appellate review)... So I can point out the errors, that Jesse Ford, enjoyed inserting into this case. If not I do not feel that you are going to represent me effectively, pertaining to the truth. I'm hesitant to even allow you to represent me because you ~~but~~ share and didn't make Jay act right. Although for some reason, I don't feel that; Jay did the right thing, in presenting a purported defense, without its reality. But if you don't want the obligation, I don't blame you, just let me know. Just please sign my six motions, and make sure Jesse Ford stays out of my case, I can't deal with BENEDICT ARNOLD, anymore... I'll just keep on filing my motions pro-se, & complain to the B.O.P.R. until I get an atty. to present a proper defense, and waste every tax payer dollar I can, until someone listens to the truth...

Well this isn't very professional, but it explains to you why I feel the way I do, not to mention, not mentioning anything to me about Chris Dutton, until he testified, that's like him failing to impeach Byrd with the pre-lim transcript, or giving me records to make a defense, since I've been here in Nash., Clay I gotta go before I start really expressing my discontent with Ford, for not presenting my case, and holding Jerry Woodall's hand to give me the DEATH SENTENCE, I hope he feels as good as I do about Billie, not being here, and my girls not having parents, and brainwashing my kids to lie against me for your political cause. MAY GOD HAVE MERCY ON THE DECEIVERS, WHEN THEIR TIME HAS COME. Psalm 31, in Jesus name I Pray, Amen.

MOTION FOR NEW TRIAL OR VERDICT OF ACQUITTAL

Comes now the Defendant, by and through his attorneys of record, and moves the Court for a verdict of acquittal or a new trial be granted and says as follows:

1. That the evidence is insufficient to support the verdict.
2. That the verdict is against the weight of the evidence.
3. That the Court erred when it allowed the Attorney General to question Cindy Conner regarding a statement which she made in that she was only questioned about the facts on the first page of the statement and was not questioned upon cross-examination about any other facts. The court allowed the State to ask questions on redirect which were outside the scope of cross-examination all to Defendant's prejudice.
4. That the Court erred in failing to allow Cheryl Abergast to testify regarding Defendant's state of mind prior to the date of the alleged incident herein and the Defendant was not allowed to make an offer of proof on that issue.
5. That photographs were introduced during the sentencing phase which were highly prejudicial over Defendant's objection. These photographs were gruesome and inflammatory and their prejudicial effect outweighed the probative value. They were also cumulative and unnecessary and they tended to prove what has already been admitted into evidence, this is the autopsy report of the victim.
6. That it was error to charge the jury that "the murder was committed while engaging in or committing or was an accomplice in the commission of or was attempting to commit, or was fleeing after committing or attempting to commit, any first degree murder, rape, burglary or kidnapping" and these aggravating circumstances were improperly presented to the jury and were a necessary part of the offenses charged. See also Middlebrooks vs. State, 840 S.W.2d 317, (Tenn. 1992).

7. That the aggravating circumstances fail to properly narrow the class of defendants subject to the death penalty.

8. That the heinous, atrocious and cruel aggravator is unconstitutionally vague.

9. That the evidence was insufficient to support the findings of the aggravating circumstances.

10. That the aggravating circumstances did not outweigh the mitigating circumstances and the death sentence should be reduced to life without parole.

11. That the Court erred in allowing cameras in the courtroom for the trial.

12. That the electric chair constitutes cruel and unusual punishment under the Tennessee and U. S. Constitutions.

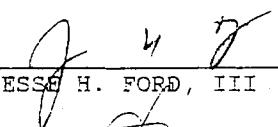

13. That the State failed to prove the required mental state necessary to form the specific intent to commit first degree murder.

14. The Court erred in failing to grant Defendant's motion to declare the death penalty unconstitutional in that it violates the Fifth, Sixth, Eighth and Fourteenth Amendments to the United States Constitution and Sections Eight, Nine, Ten and Sixteen of the Tennessee Constitution.

Based on the foregoing your Defendant Jon Hall would seek an order of this Court granting a new trial.

AMENDMENT / MOTION IN ARREST OF JUDGEMENT / POINTS AND AUTHORITIES

Comes now the Movant / Petitioner Jon Hall, by
and through counsel? To amend His motion in arrest of judgement. In
support of the previously filed motion in arrest of judgement, Movant
moves this Honorable Court to include the following argument / points
of authority, for the Courts consideration in this matter.

INTRODUCTION

The Movant Jon Hall, is a Citizen of the United States in the Kingdom of God of America. The American Flag of Peace represents the sovereign Jurisdiction of the Movant. The Courts Flag, in the County of Henderson & Madison, is; The "Maritime", "Flag of War". Movant reserves all United States Constitutional Rights of His Country, and under the jurisdiction of His Flag.

Outside the Henderson & Madison, County Courthouse, hangs the traditional United States "American Flag of Peace". The "Maritime," "Flag of War," has a GOLD BRAID, and / or ROPE, with a GOLD EAGLE on top and hangs in the Henderson & Madison, County Courthouse. Under the jurisdiction of the "American Flag of Peace" of the United States, "No War Flag is allowed in the Court". (for e.g., See: title 4 U.S.C. Sec. 176 for specifications of the traditional American Flag). & See also; Army Regulations October 1979 Section 840).

Because the Court exercised its authority under the Maratime Flag, Movant was assumed guilty until proven innocent, under the "WARS POWER ACT" of 1933, and violated Movant's Substantive, and Procedural Rights; (1) Substantive Rights for the failure to advise, and secure a valid contract for consent, that this Court was presiding in Admiralty; and (2) Procedural Rights by exercising two (2) different jurisdictions, under two (2) different flags at the same time.

By coercing Movant inside the sanctuary of the bar, under the Maratime Flag of War, during prior stages in these proceedings, the Court created collusion under 28 U.S.C. Chapter 85 Section 1359. Therefore, the Court was without competent jurisdiction to try the Movant in this matter, pursuant to Rule 12.02 (1), (2), & (3) of the Federal Rules of Civil Procedure; (1) The Court lacks jurisdiction over the subject matter of Movant, and (2) The Court lacks jurisdiction over Movant's citizenship under the American Flag of Peace.

THE POLICY AND / OR CUSTOM OF THE COURT AND THE INTENT
TO CAUSE MOVANT A CONSTITUTIONAL INJURY:

The Judge is responsible for the set up of the Courtroom. He brought the Flag and / or allowed the Maratime Flag to be brought into the Courtroom before he had subject matter jurisdiction over the Movant. The Maratime Flag represents the suspension of the Movant's Fifth, Sixth, and Fourteenth United States Constitutional Rights; and (1) The right to be deemed innocent until proven guilty; (2) The right to a fair, and speedy trial.

The Judges of this Court have a sworn oath (if not expired, to which is unconstitutional) to administer justice under the Constitution and Laws of the United States. See; 28 U.S.C. Sec. 453 which states; Each Justice or Judge of the United States shall take the following oath or affirmation before performing the duties of His Office:

I. _____, do solemnly swear that I will administer justice without respect to persons, and do equal right to the poor and to the rich, and that I will faithfully and impartially discharge and perform all the duties incumbent upon me as _____ under the Constitutions and the Laws of the United States. So help Me God."

Since the Judge was acting under two (2) jurisdictions, under two (2) different flags, the Court has lost competent jurisdiction over the Movant. (See; e.g., actors acting in disguise, The Monroe Doctrine of 1871).

The intent to cause the movant a deprivation of His United States Constitutional Rights to His Fifth, Sixth, and Fourteenth Amendment Rights, can be mirrored under 42 U.S.C. title 1986, for knowledge of the law pursuant to T.C.A. § 17-1-106 (a), when the Judge brought the Maratime Flag of War, into the Courtroom, before having subject-matter jurisdiction over the movant, which shows and establishes intent under 42 U.S.C. 1986; and (2) Policy and / or custom of exercising Maratime Law under a judicial setting (See; e.g. title 42 U.S.C. 1983, chapter 21 notes 333, 349, 350, 351, 352, and 355). This custom and or policy constitutes "Perjury of Oath" Under title 18 U.S.C. Section 1621.

POINTS AND AUTHORITY IN SUPPORT

Maratime Law is that which congress has enacted to the Federal Courts, sitting in admiralty of the United States, during the exercise of their Maratime Jurisdiction, which would have to have been declared and made known to the Movant to apply. J.B. Jefferson Co. v. Three Bays Corp., C.A. Fla. 238 F.2d 611, 615; See also e.g. O'Donnell v. Great Lakes Dredge & Dock Co., 313 U.S. 36, 63 S.Ct. 488, 87 L.Ed 596.

Because this Court was exercising its jurisdiction under Maratime Law, it had no authority to sentence Movant relating to the subject matter of His case - without His consent to contract with the Court to be sentenced under said Maratime Jurisdiction; Therefore, the Court had no power, and / or authority to hear the criminal proceeding before it. See; e.g. Davis v. Davis, 9 Ill. App. 3d 922, 213 N.E.2d 399, 405).

It cannot be acquired or implied (through constructive knowledge and consent) that Movant knowingly consented to said Maratime and personal jurisdiction of this Court at the time He was sentenced. See; e.g. Hess v. Pawloski, 274 U.S. 352, 47 S.Ct. 632, 71 L.Ed. 1091.

The purpose of Statutes enacted by Congress pursuant to the courts presiding in Admiralty was reserved for the Federal Courts to hear Maritime claims.

By this Court exercising an ancillary jurisdiction under Maritime Law, it violated both Movant's Substantive, and Procedural Rights, by replacing the "American Flag of Peace," (undr the "WARS POWER ACT" of 1933) with the "Maritime Flag of War". Therefore, the act of this Court trying, and sentencing the Movant under Maritime Law, constitutes:

- (1). PERJURY OF OATH; Title 18 U.S.C. Section 1621; T.C.A. § 39-16-703 .
Title 28 Section 1745; for e.g., See; Henry v. Dean, 310 N.C. 75, 310 S.E.2d 326-335.
- (2) INTENT with KNOWLEDGE to DEFRAUD the CONSTITUTION; Title 18 U.S.C. 872; and / or OBSTRUCTION OF JUSTICE, See; T.C.A. § 39-14-112 (EXTORTION).

[ARGUMENT / POINTS AND AUTHORITIES, PURSUANT TO:]

THE INTENT TO DEPRIVE MOVANT OF HIS PROTECTED
UNITED STATES CONSTITUTIONAL RIGHTS

The Judge is responsible for the set up of the Courtroom; He brought the "Maritime Flag of War," and / or allowed the Maritime Flag to be placed into the Courtroom, before He had valid subject-matter jurisdiction over the Movants citizenship under the "American Flag of Peace". Further, Movant did not have a contract with the officers of this Court, under the Uniform Commercial Code 3, Section 501, in an agreement, knowingly consenting with the Court, to be tried and / or sentenced under the Maritime jurisdiction, in an Admiralty Court.

By coercing / forcing the Movant inside the sanctuary of the Courts Bar, under Maritime jurisdiction, sitting in admiralty, and without a contract with the movant. The Judge, Whit S. Lafon, the District Attorney Jerry Woodal, His Assistant Al Earls, and the Movant's Attorney of Record Jesse Ford, Clayton Mayo, created and engaged in collusion in violation of Title 28 Chapter 85, Section 1359.

The intent to deprive the Movant of His Constitutional Rights, relevant to this cause, can be shown by policy and / or custom of the Officers of the Court. (See; e.g., 42 U.S.C. § 1983 notes: 319-337). Further, the Officers of the Court also committed perjury of oath, to uphold the Movant's United States Constitutional Rights, contrary and in conflict with the Maritime jurisdiction of the "WARS POWERS ACT" of 1933 (See; e.g., 28 U.S.C. § 453, revision notes applying to the phrases of the Judges Oath of Office).

In the United States, the Office of the Attorney General is one which is provided by the Constitutional and Statutory Provisions of the various states, and where the powers and the duties of the Atty. General are fixed by the Constitution, a statute interfering with the Constitution is invalid. Murphy v. Yates, 348 A.2d 837, Md. 475, 34 A.L.R.3d 1.

Pursuant to the high standards of the Attorney General's Knowledge of the Law, He knew that this Court was sitting in Admiralty at the time Movant was tried and sentenced. (See; 42 U.S.C. 1986 note 8, for Knowledge of the Law). See also; State v. Fields, 7 Tenn. 140, 145-146 (virtue of the District Attorneys commission and Oath of Office).

Whereas, sentencing the Movant under the Maritime Law, constitutes and triggers the following:

The Movant had no contract with the Court to be sentenced under the Maritime Jurisdiction, which had to be declared and made known to the Movant, if the Court was legally to retain subject-matter over the case. Otherwise, a Maritime contract relates to business of navigation. Massman Const. Co. v. Bassett, D.C. Mo. 30 F. Supp. 813, 815.

A Maritime contract is that of which the subject matter has a relation to the navigation of the seas or to the trade or commerce, to be conducted by navigation or to be done upon the Seas or the Ports. Marubeni V. Iida, Inc. v. Nippon Yusen Kaisha, 207 F. Supp. 418-419.

This constitute false impersonation in exercising under an illegal jurisdiction which the Court had no legal authority over the subject-matter. People v. Horkans, 109 Colo. 177, 123 P.2d 824, 826. (See: also: for e.g., Monroe Doctrine of 1871 - Actors acting in disguise).

This constitutes a bad faith motive, and intent by the Court, and / or the Officer's of the Court, when they brought the "Maritime Flag of War" into the courtroom, before the Court had subject-matter jurisdiction over the Movant. See; Lunchmann v. Schaefer, Mo. App., 142 S.W.2d 1088, 1090; Davis v. Nash Central Motors, Mo. App. 332 S.W.2d 475, 480. (the act of intentionally doing a wrongful act, and knowing at the time that it was wrongful).

Because Movant did not legally consent to a Maritime contract with the Court, it constituted a voidable contract, to which is void as to the wrongdoer, but not void as to the wronged party. Depner v. Joseph Zukin - Blouses, 13 Cal. App. 2d 124, 56 P.2d 574, 575.

A contract which is void, which never had any legal effect, can not in any manner have life breathed into it. National Union Indemnity Co. v. Bruce Bros., 44 Ariz. 454, 38 P.2d 648, 652.

It cannot be acquired or implied, through constructive knowledge or consent, that; when Movant stated His name for the record, inside the sanctuary of the Courts Bar, (at the Courts request in the prior proceedings) that; Movant knowingly consented to a Maritime contract with the Court. Consent connotes a concurrence of wills; voluntarily yielding the will to the proposition of another; acquiesce or compliance therewith. The act or result of coming into harmony or accord. Consent is an act of reason, accompanied with deliberation, the mind weighing as in a balance, the good or the evil of both sides. It means voluntary agreement by a person in the possession and exercise of a sufficient mental capacity to make an intelligent choice to do something proposed by another. It supposes a physical power to act, a moral power of acting, and a serious, and determined, free use of these powers. The act of consent is implied in every agreement. It is to be an act unclouded by fraud, duress, or sometimes even mistake. Willingness in in fact that an act or an invasion of an interest shall take place.

Restatement, Second, Tort, § 10 (a).

As a result of the Movants ignorance of the law, constituted void for vagueness, and a void judgement. A law which is so obscure in its promulgation that a reasonable person could not determine from a reading what the law purports to command or prohibit is void, as violative of Due Process. (one which has no legal force or effect, to which the invalidity of which may be asserted by any person whose rights are affected at anytime at any place, directly, or collaterally). See; e.g., Reynolds v. Volunteer State Life Ins. Co., Tex. Civ. App. 80 S.W.2d 1087, 1092. One which, from its inception is & forever continues to be absolutely null, without legal efficacy, ineffectual to bind the parties or support a right, of no legal force and effect whatsoever, and incapable of confirmation, ratification, or enforcement in any manner or to any degree.

By the Court replacing the "American Flag of Peace" with the "Maritime Flag of War", under the WARS POWER ACT of 1933, i.e., to deprive the Movant of His United States Constitutional Rights, "The Officer of this Court was acting in bad faith. "Bad Faith" generally implies or involves actual or constructive fraud, or a design to mislead or deceive another, or a neglect or refusal to fulfill some contractual obligation not prompted by an honest mistake as to ones rights, or duties, but by some interested or sinister motive. The term "Bad Faith" is not simply bad judgement or negligence, but rather it implies the conscious doing of a wrong because of a dishonest purpose or moral obliquity; it is different from the negative idea of negligence in that it contemplates a state of mind affirmatively operating with furtive design or ill will. (See; e.g., State v. Williams, Ind. App., 367 N.E.2d 1120, 1124).

CONCLUSION IN SUPPORT

Jurisdiction exists when a Court has cognizance of class of cases involved, proper parties are present and point to be decided is within the power of the Court. United Cemeteries Co. v. Strother, 342 Mo. 1155, 119 S.W.2d 762, 765; Harder v. Johnson, 147 Kan. 440, 76 P.2d 763, 764. (See e.g., The right and power of a court to adjudicate concerning the subject-matter in a given case. Biddinger v. Fletcher, 224 Ga. 501, 162 S.E.2d 414, 416.

Now that the Court has used its policy and / or custom to try Movant under the Maritime Law, Movant declares his sovereign immunity from prosecution, under His American Flag of Peace of the United States and under His sovereign belief under the Kingdom of His God, to which Movant is an ambassador under His Flag of Peace of the United States of America. So help Me God, Amen.

Wherefore, Movant moves this Honorable Court to vacate, and dismiss this action pursuant to T.C.A. § 40-30-203; which provides; (grounds for relief), Sec. (a), Relief under this chapter shall be granted when the conviction or the sentence is void, or voidable, because of the abridgement of any right guaranteed by the constitution of this State or the Constitution of the United States.

Respectfully submitted,

DEFENDANT'S MITIGATING CIRCUMSTANCES

-modest-

Tennessee law provides that in arriving at the punishment, the jury shall consider as previously indicated, any mitigating circumstances which shall include, but are not limited to, the following:

- (1) The murder was committed while the defendant was under the influence of extreme mental or emotional disturbance.
- (2) The capacity of the defendant to appreciate the wrongfulness of his conduct or to conform his conduct to the requirements of the law was substantially impaired as a result of mental disease or defect or intoxication which was insufficient to establish a defense to the crime but which substantially affected his judgment.
- (3) The defendant was a good worker and employee.
- (4) The defendant surrendered to the authorities peacefully and without resistance.
- (5) The defendant cooperated fully with police investigators.
- (6) The defendant has acknowledged and never denied his responsibility for this crime.
- (7) The crimes committed were out of character for this defendant.
- (8) The defendant has no significant history of prior criminal activity.
- (9) That the defendant's judgment was substantially impaired due to the extreme violence he witnesses his father commit upon his mother.
- (10) That defendant was a caring and nurturing father who loves his children and took special care of defendant's youngest daughter, who has cerebral palsy.
- (11) That defendant [REDACTED] showed remorse over the crime.

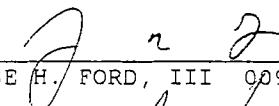

(12) Any other mitigating factor which is raised by the evidence produced by either the prosecution or defense at either the guilt or sentencing hearing; that is, you shall consider any aspect of the defendant's character or record, or any aspect of the circumstances of the offense favorable to the defendant which is supported by the evidence.

The defendant does not have the burden of proving a mitigating circumstance. If there is some evidence that a mitigating circumstance exists, then the burden of proof is upon the state to prove, beyond a reasonable doubt, that the mitigating circumstance does not exist.

There is no requirement of jury unanimity as to any particular mitigating circumstance, or that you agree on the same mitigating circumstance.

ORDER

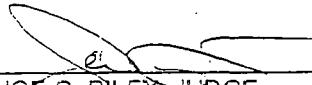

This matter is before the Court upon the appellant's pro se application for an extraordinary appeal pursuant to T.R.A.P. 10. Specifically, the appellant contends that the trial court improperly denied trial counsel's motion to withdraw from further representation following the conclusion of the proceedings below. The appellant, however, has failed to include a copy of the motion filed by trial counsel or any order entered by the trial court.

Having reviewed the appellant's application, we find that the appellant has failed to satisfy the requirements for consideration under T.R.A.P. 10. IT IS, THEREFORE, ORDERED that the appellant's application for an extraordinary appeal is denied.

Enter, this the 28 day of April, 1997.

On April 28, 1997, this Court entered an order denying the appellant's pro se application for an extraordinary appeal. The appellant has now filed a petition requesting the Court to reconsider its previous order. Having reviewed the petition, and finding that the same is not well-taken, it is hereby ORDERED that the appellant's pro se petition to rehear is denied.

The appellant also seeks the appointment of counsel. The appellate record, however, has not yet been filed with the Court. Accordingly, there is nothing before this Court indicating that the appellant has been declared indigent. Finding that the appellate record has not been filed with the Clerk of this Court and finding that determinations as to whether the appellant should be allowed to proceed as a poor person and receive appointment of counsel should be made by the trial court, see T.R.A.P. 18, it is, FURTHER ORDERED that the appellant's request for appointment of counsel is also denied.
